# Principal's Welcome

Our 32nd Marist Basketball Carnival will take place on the land of the Yugambah speaking people. We pay our respects to their elders past, present, and emerging, and recognise their ongoing connection to this land. We are thankful for the opportunity to share this land, and we acknowledge the personal, spiritual, and cultural challenges that come with this sharing. We aspire to move forward together in harmony, fostering a spirit of healing and unity.

Welcome to the Logan, Gold Coast and Brisbane region!

We are thrilled to extend a heartfelt welcome to all participants of the 32nd Marist Basketball Carnival. This carnival brings together Australian Marist schools for a week of games, lasting memories, and community living. It is important to note that our Marist Carnivals transcend mere sporting competition; they embody the essence of our shared Family Spirit, which lies at the core of our Marist values. As members of the Marist family, this spirit unites us all in a collective sense of belonging and camaraderie.

Trinity College Beenleigh and the wider Logan, Gold Coast and Brisbane region are proud to host this event. Our competition venue has been carefully selected to accommodate the large number of teams participating, and we are excited to see them transform into a hive of activity and joy throughout the carnival.

To all the volunteers, match officials, coaches, managers, and everyone who has contributed to preparing the teams for this carnival, we extend our heartfelt thanks. Your dedication and hard work are integral to the success of school sporting programs.

We extend a special recognition to the Carnival Committee and all the dedicated staff who have put in countless hours to coordinate and plan this event. Your exceptional leadership and unwavering commitment have been instrumental in bringing this carnival to fruition, and we deeply appreciate your hard work and dedication.

To all the participating teams, we extend our best wishes and congratulations for being a part of this unique Marist community celebration. Regardless of the outcomes at the conclusion of the carnival, I am confident that every player will depart with cherished memories that will endure for a lifetime. May this carnival be a source of immense joy for you all and provide opportunities to forge enduring friendships and create unforgettable memories.

Welcome to the 32nd Marist Basketball Carnival!

Allison Elcoate

Principal  
Trinity College Beenleigh

# Goals of the Marist Basketball Carnival

To provide a sporting carnival where our students can:

- enjoy the company of other young Australians giving expression to their social, religious and sporting aspirations
- develop their skills of fairness and integrity in basketball through friendly competition with teams from Marist schools, and
- share with other young people around Australia our Marist traditions, values, vision and story.

## Beginnings

Marcellin Champagnat was born in 1789 in the small French hamlet of Le Rosey in the hilly country to the south west of Lyon. Marcellin was part of a group of young men that wanted to start a new order in the church modelled on the ways of Mary and, on the day following their ordination, they gathered at the Fourviere Cathedral in Lyon to make a pledge to this cause. Coming himself from a rural area, Marcellin aspired to found the 'Little Brothers of Mary' (later known as the 'Marist Brothers'), who would build schools to develop and educate 'good Christians and good citizens'. Others in the ordination group, such as Jean-Claude Colin, sought to found the Marist Fathers to serve parishes, and the Marist Sisters bring the spirit of Mary to new places and people.

## Marist Schools in Australia

The inaugural Marist Brother to reach Australia was Brother Michael Colombon, mentored by Marcellin Champagnat in France. His arrival in Sydney occurred on December 9, 1837. Emerging from modest origins, the Marist Brothers received invitations to establish new schools across Australia. Presently, nearly fifty schools in the country have been either governed or influenced by the Marist Brothers, alongside numerous others influenced by Marist Fathers and Marist Sisters. The Marist Association of St Marcellin Champagnat now oversees Marist Schools Australia, the organisers of these sporting carnivals that unite us in commemorating and celebrating our shared heritage.

## History of the Carnival

The concept of the national sporting carnivals to bring students from Marist schools together, began with cricket in the mid 1970s. Basketball carnivals for boys were a feature of the 1980s and, as schools developed their co-educational programs, netball and girls' basketball were soon added to the program. It's now difficult to imagine Marist life without these celebrations! The Carnivals respect the fine traditions of Marist life with an opening Mass, social networking, a celebratory dinner and, of course, hard fought but respectful competition.

# Opening Mass

**Celebrant:** Rev Dr Gerard Hall SM

## Opening Prayer

God, creator,

O God, who have taught the hearts of the faithful by the light of the Holy Spirit. By the power of the Spirit, enable us to be a sign of your presence in the world. As we come together this week, may we truly be people of Humility, Simplicity and Modesty in the way of Mary. May the Spirit of St Marcellin, Mary our Good Mother and your son Jesus Christ walk with us in love and tenderness.

We ask this prayer through Christ our Lord.

Amen

## The Gospel (Mark 11:1-10)

... The two disciples brought the young donkey to Jesus. They put their coats on its back and Jesus sat on it. Many people then put their coats down on the road. Other people cut branches down from trees in the fields. They put the branches down on the road as well.

Many people went in front of Jesus, and other people followed him. All of them were shouting, 'We praise God! May the Lord God bless the king who comes with his authority! Great will be the kingdom of King David, our ancestor!

We praise God above!'

## Marist Heart Ceremony

In St Marcellin Champagnat's time, he would place the names of the Marist Brothers inside a bronze heart, as a way of remembering and praying for them while they worked in faraway places.

The names of all Marist Basketball Participants for 2024 will be placed inside the Marist Heart. I leave you in the Sacred Hearts of Jesus and Mary (St Marcellin Champagnat).

## Players Pledge

As a player in the 32<sup>nd</sup> Marist Basketball Carnival I do hereby promise to undertake this tournament in such a way that is respectful of what it is to be Marist.

I promise that I shall take part in the coming Marist Basketball Carnival, respecting and abiding by the rules which govern them in the true spirit of sport and competition.

## Coaches, Volunteers and Managers Pledge

I will encourage good sporting spirit at this the 32<sup>nd</sup> Marist Basketball Carnival. I will demonstrate positive support for all players, coaches, officials and volunteers at every event. May my words and actions encourage the principles of good sportsmanship, fostering and modelling integrity, fairness and respect.

I will, after the example of St Marcellin Champagnat, conduct myself in the way of Mary our Good Mother, sensitive and compassionate to the needs of all.

# A Child Safe Carnival

Each school participating in the Carnival is committed to the safety of each and every child who attends. Child Safety is at the heart of this Carnival and every student who attends, whether competing, assisting or spectating, has the right to feel safe at all times. - Intervene when students are engaging in inappropriate bullying behaviour towards others or acting in a humiliating or vilifying way.
- Report any breaches of this Child Protection Code of Conduct to concerns about child safety to the Carnival's Child Safety Officer (see below) and
- Ensure that your legal obligations to report allegations externally are met.
- Where an allegation of child abuse is made, ensure as quickly as possible that the student involved is safe.
- Call the Police on 000 if you have immediate concerns for a student's safety.
- Respect the privacy of students and their families and only disclose information to people who have a need to know.

## DON'T:

- Use physical means or corporal punishment to discipline or control a student.
- Engage in any form of behaviour that has the potential to cause a student serious emotional or psychological harm.
- Develop 'special' relationships with students that could be seen as favouritism (for example, the offering of gifts or special treatment for specific students).
- Engage in undisclosed private meetings with a student that is not your own child.
- Engage in inappropriate personal communications with a student through any medium, including any online contact or interactions with a student.
- Take or publish (including online) photos, movies or recordings of a student without parental/carer consent.
- Post online any information about a student that may identify them such as their: full name; age; e-mail address; telephone number; residence; school; or details of a club or group they may attend.
- Ignore or disregard any suspected or disclosed child abuse.

### **What to do if you have a concern**

If you believe a participant or visitor to the Carnival has acted in an unsafe way towards a student (verbally, physically or through their behaviours), we encourage you to speak with the senior most staff member from the school involved. If, for some reason, this is not appropriate or possible, the Child Safety Officer will be available to report matters of concern. Both students and staff are encouraged to report a suspicious or unsafe matter.

# Competition Rules

## Match Ball

- Size 6 for the Girls competition
- Size 7 for the Boys competition

## Number of Players

- The maximum number of players will be 10

## Score Bench

- Team managers from each school will score bench each game

## Technical fouls for abuse by players (SIN BIN)

- Technical fouls for verbal abuse of an official shall result in the player being substituted to the team bench for five (5) minutes of playing time. Player can be replaced.
- When the official calls a technical foul, they are to look at the clock and quote the time remaining, so the score bench officials can note it on the scoresheet, e.g. 8:41 1st quarter and the player can then re-enter the game at 3:41 or after via a substitution through the score table.

## Timings for all games except for the Championship Grand Finals

- WARM UP: all games will start at the specified time.
- GAME TIME: 4 x 10 minute quarters with the clock stopping for all timeouts. Last 2min of the 4th quarter is fully timed if the score is within 10 points or less.
- $\frac{1}{4}$  &  $\frac{3}{4}$  TIME INTERVALS: 1 minute break.
- $\frac{1}{2}$  TIME INTERVAL: 2 minutes.
- TIMEOUTS: 1 time out per team per quarter which cannot be carried over.
- OVERTIME: Championship redrawn pool games and semi-finals (3-minute period).
- 1 minute break before overtime begins.
- 1 timeout permitted per team.

## Timings for the Championship Grand Final (Boy's and Girl's)

- WARM UP: minimum 5 minutes.
- Bench staff supplied by host school.
- GAME TIME: 4 x 8 minute quarters fully timed with a 24-second shot clock.
- $\frac{1}{4}$  &  $\frac{3}{4}$  TIME INTERVALS: 1 minute.
- $\frac{1}{2}$  TIME INTERVAL: 2 minutes.
- TIMEOUTS: 1 time out per team per quarter which cannot be carried over.
- OVERTIME: 3-minutes fully timed, 2-minute interval, 1 time out per team per OT.

## Pool Matches / Placing for Finals

- Pool game points will be on the basis of 2 for a win, 1 for a draw and 0 for a loss.
- Quarter/Semi Finals: the top two teams from each pool (Championship: top 8, Plate: 9-16, Spirit: 17 onwards) will play quarter finals to decide who will move through to major and conciliation semi finals with the winners of the major semi finals playing in the Grand Final.
- Final Placings: Where there are not enough teams for quarter or semi finals they will play off for final placings either in a semi final/final or round robin.

- Ladder positions: will be separated by:
  - (i) pool round points. Where teams are equal on points after the final pool round, the following criteria will be used to separate ladder positions:
  - (ii) by who won the pool match (head to head). Where teams placed first, second or third on the ladder cannot be separated by (i) or (ii),
  - (iii) a calculation will be used to determine who has superior percentage from matches involving these teams. If this fails to separate, the team who is immediately below on the ladder will be included in the calculation. If that fails, the calculation will include the next team down the rung (and so on) until a separation is achieved.

Where teams placed second, third (or below) cannot be separated by (i) or (ii), the third calculation (iii) will include matches played against the team who is immediately above on the ladder. If that fails to separate, the calculation will include the next team above (and so on). Where there are no more teams above, the calculation will include the team immediately below on the ladder (and so on) until a separation is achieved.

Where teams have a draw in a semi-final, the team that finished highest on the ladder after pool rounds (and where necessary according to the above criteria) maintains that place for the round of Finals.

## Further Competition Information

- Players disqualified by a referee from a game, shall not play in the following game for that team.
- Individual schools may lengthen this suspension.
- Each school is expected to provide one bench official. Any school that has two teams across both venues during the carnival and require assistance with score bench, please let the Carnival Convener know and Trinity College, Beenleigh will endeavor to provide some support.
- All players are to be attired in the registered uniform of his/her school.
- Each player's surname and initial should be written on the score-sheet 30 minutes before the start of each game. The coach's name should also appear in the space provided. Computerised score- sheets will be used wherever possible. The referee should tally and sign the scoresheet at the end of the game.
- Any team not ready to commence play when called upon, shall forfeit one point for every minute late, until 10 minutes has elapsed, at which point the game shall be declared a forfeit.
- In the event of a player being fouled out of the game the coach has 30 seconds to replace the player before the game recommences (clock is stopped).
- If a player is injured during the game and the referee calls "time out", the player must be replaced by the coach as soon as possible.
- The Disputes Committee, which consists of a Chair plus two others, will hear disputes: The Chair is to be someone who is not involved with any of the teams. Membership is drawn from the following:
  - Carnival Convenor; Representative of the MSA Sport Committee, Basketball; Referees Coordinator for the Championship;
  - A representative of each school in the dispute is to be available if required but they are not members of the Dispute Committee.
- The Disputes Committee decision is final.

## Catholic College, Sale VIC

Catholic College Sale has a long and distinguished history. Its roots extend as far back as 1890 when the Sisters of Sion founded Our Lady of Sion College for girls. In 1922, the Marist Brothers founded St. Patrick's College for boys.

Catholic College Sale was formed in 1977 with the amalgamation of these two schools. At that time, a third campus, the John XXIII Campus, was established to cater for senior students in Years 11 and 12. The Sion and St. Patrick's campuses accommodated our Year 7 to 10 girls and boys respectively until 1993.

From the beginning of 1993, the traditions of Our Lady of Sion and the Marist Charism continued in completely co-educational settings with Years 7 and 8 students at the Sion campus and Years 9 to 12 at St. Patrick's Campus, which now incorporated the John XXIII building.

In 2021, Catholic College Sale consolidated onto one campus at the St. Patrick's site. The College aims to provide a supportive, caring and challenging environment that encourages learning with a focus on health and wellbeing. We promote our Catholic identity through prayer, liturgy and many social justice initiatives.

Our boys' Marist Basketball team has been a member of the Marist Carnivals since its foundation, and the girls' team has been involved since the inaugural girls' year in 1998.

## Lavalla Catholic College, Traralgon VIC

Lavalla Catholic College is a 2 campus Catholic co-educational secondary school located in the township of Traralgon, Gippsland, Victoria. The origins of the College date back to 1951 where the Presentation Sisters established their convent in Moe. By 1979, the St. Paul's College, Kildare College and Lourdes College became one co-educational school called Catholic Regional College with Fons Van Rooij as principal. In 2002, Catholic Regional College amalgamated with Presentation College Newborough to create Lavalla Catholic College.

The name Lavalla is a reference to La Valla-en-Gier, a French village that was the location of the first Marist school, opened in 1817. It is not known why the village's name was bastardised to Lavalla by the Australian school's leadership team.

Lavalla Catholic College has a proud sporting tradition in the field of many sports. This is the 32nd year the College has teams represented at the Marist Basketball Carnival. Our boys' teams have won the Plate in 1994, 1995, 2001, 2019 and finished 3rd in 1998, 2005 and 2010. Our girls' teams have performed quite strongly over the years, having won 15 Marist titles.

Jade Melbourne is the most recent success story to come out of the College after being drafted to the WNBA by the Seattle Storm in the 2022 draft at pick 33.

The college continues to remember Daniel Lee (Shmee) who died in 2007 as a result of a car crash. He was our Marist Basketball captain in 2006 and a Marist player in 2005. What he lacked in height he made up for in heart. Each year we have a Marist award named in his honour and we will again endeavour to play with this enthusiasm and heart - Go Shmee!

## Marist College, Bendigo VIC

Whilst being the newest member of Marist Schools Australia, the Marist Brothers have a long and proud tradition of education in the Bendigo region. Since 1893, Marist Education in Bendigo has had three principal iterations:

1893-1983: Marist Brothers College

1983-2014: Catholic College Bendigo (Marist and Mercy)

2015-Present: Marist College Bendigo

Brother Basil Kelly founded the first Marist Brothers College. For 100 years, the College educated the boys of Bendigo across upper primary, secondary and matriculation levels. In 1983, Marist Brothers amalgamated with St Mary's to form Catholic College Bendigo. Considering increased enrolments and the need for an additional campus, the Marist Brothers withdrew from Catholic College Bendigo to re-establish a primary and secondary school known as Marist College Bendigo.

In 2015, Marist College Bendigo began with 220 students in Years 7 and 8 and had 22 staff. The College quickly developed both physically and numerically, and today, Marist College Bendigo has become home to approximately 1200 students across Foundation to year 12 who are Known and Loved.

## Marist College, Canberra ACT

The origins of Marist College Canberra are found in the first school established by the Marist Brothers in Australia, St Patrick’s in Harrington Street, near The Rocks, Sydney. An increase in numbers necessitated a move to larger premises and in 1887 the High School was transferred to buildings in the grounds of St. Mary’s Cathedral. In 1910 the school moved again to new and larger buildings in Liverpool Street, Darlinghurst.

Despite the flourishing of “The High School” as it became known, demographic and educational changes forced the difficult decision to close in 1968 and to transfer its badge, colours and motto to Canberra.

Since that time the College has grown rapidly and in its own relatively short history has distinguished itself through its high academic, sporting and cultural record. In the 2015 season the Marist Senior Basketball team won the ASC competition and the Basketball ACT U/19 Division 1 title. The most recognizable and successful basketball student to come out of the College is Patrick Mills who attended Marist from year 4-10 (2004). Since leaving the College Patrick has played College basketball for St. Mary’s (USA), Australian Boomers and has won an NBA Championship with the San Antonio Spurs. In 2020 Alex Toohey accepted a position in the Centre of Excellence Basketball program, where he has since competed with the Australian Boomers in their FIBA qualifications for the 2023 World Cup and currently plays for the Sydney Kings in the NBL.

## Marist College Kogarah, Sydney NSW

On December 1908, after much lobbying of the Marist Brothers by Fr O’Driscoll to open a boy’s school in the Parish, construction of the school and monastery began. A foundation stone at the front of the Gonzaga building records that Marist College Kogarah was officially opened by Cardinal Moran. On Monday 8 February 1909, the primary school opened its doors to 100 students. Marist education had begun in Kogarah.

The school met a need in the area, and over the next ten years there was a steady growth in enrolments. The school enjoyed success in a number of State Bursary Competitions, which was of real importance to a new school trying to establish itself.

## Marist-Sion College, Warragul, VIC

Marist-Sion College is a co-educational secondary school located in Warragul, approximately 100 km southeast of Melbourne. The College operates under the dual charisms of the Marist Brothers and the Our Lady of Sion Sisters. Originally two separate schools, Our Lady of Sion and the Marist Brothers combined in 1975 to form the present Marist-Sion College. At Marist-Sion College, students experience an education where they are known and loved, grow as lifelong learners, and live as active citizens inspired by the principles of Catholic Social Teaching.

The College is situated on a picturesque semi-rural allotment and currently accommodates 1128 students from Years 7-12. In 2000, Marist-Sion reaffirmed its Marist heritage by becoming a founding member of the Association of Marist Schools of Australia.

The 2024 College Teams are looking forward to the experience of participating in high-standard competition and aim to be competitive in this year's carnival. This marks the eleventh year of involvement for Marist-Sion College, with our highest placing being fourth for both the male and female teams. The carnival serves to highlight students' sporting achievements and foster a spirit of competitiveness while forming new connections in the Marist spirit.

Marist-Sion College's colours are predominantly green, gold, and light blue. Our commitment to excellence encompasses our approach to learning and aspiration on the sporting field. Our motto of Truth, Charity, and Constancy is embedded in all aspects of our endeavours, from learning and wellbeing and co-curricular activities.

## Trinity College, Beenleigh QLD

Trinity College Beenleigh, was established by the Marist Brothers in 1982, on the invitation of the Director of Brisbane Catholic Education. The college takes its name from the central doctrine of Christianity, the Holy Trinity, that pronounces God as three persons: the father, son and spirit.

The first Principal, Marist Brother, Br John Mullins, oversaw the education of the first enrolment of one-hundred students. From Trinity's beginnings up until 1987, Marist Brothers lived and taught at the college, with the Sisters of Saint Joseph also prominent on staff. As Trinity continues to grow, the charisms of these great Religious Orders are still evident within the college and their virtues and values are strongly promulgated.

Trinity College derives its ethos from the founder of the Marist Brothers, Saint Marcellin Champagnat (1789 - 1840). The Christian education of the young, particularly those of rural areas, was his passion. The three Marial virtues of humility, simplicity, and modesty come to us from him. These virtues give a quality of authenticity and kindness to our relationships with all people we meet.

Following our Marist tradition, students are nurtured throughout their years at our school to achieve their desired pathway and the support to find their path. The College now offers a suite of over 60 senior subjects and certifications, catering for student needs and growing areas of employment. In addition to having one of the largest VET offerings available at any non-government school in South East Queensland, the College has exceptional ATAR and tertiary entrance outcomes.

At Trinity College, we are not a sports academy, trade college, arts, or STEM school - We are all of these and We are Marist.

**College Colours:** Royal Blue, red & white

**College Motto:** In God we trust
