

Mrs Elke Williamson, Parent and former Staff member: (written in 2021)

Over the period from 1993 to 2017 our family has enjoyed a strong relationship with Trinity College, initially with three of our children attending Trinity from 1993. For 20 years I worked as a school officer where I witnessed that every student was valued and encouraged to achieve to the best of their ability by very compassionate staff.

Next year our grandchildren will also attend the college.

Trinity has many strong attributes; those that stand out for us are, inclusiveness, a sense of compassion for all, committed and passionate teachers and staff who promote a strong and genuine bond.

Trinity has developed over the years into a successful college that the community is proud of. Trinity has a truly Christian ethos evident by the total lack of discrimination of the community it serves. This has been true during all the years of my association with the college.
